Candidate Information Packet

GM Week Issue Information

About the GM Week issue

Every year, *The Polytechnic* produces a special GM Week issue that provides information about the week's festivities and gives the opportunity for candidates for student government offices to present themselves to the student body. Inclusion in this special issue is completely voluntary, although we feel that it is a valuable and efficient way to reach a large number of voters, and we encourage all candidates to take advantage of it.

The special issue will be published and distributed across campus on Monday, April 3, 2017.

Please keep in mind the fact that, as candidates, it is your responsibility to schedule appointments and to submit paperwork as appropriate for your intended position. We will do our best to accommodate everyone to the best of our abilities, and we ask for your patience and cooperation as we prepare this issue.

For all candidates

All candidates may have a photograph run alongside their profiles in the GM Week issue. All pictures will be taken by *Poly* photographers. A signup sheet will be available on our website at poly.rpi.edu/gmweek. All interested candidates must sign up for and have a photo taken by 6 pm on Thursday, March 30. Please see the candidate profile information section for submission details and what to include in your write-up for our GM Week issue.

For Grand Marshal, President of the Union, and Undergraduate President candidates

The Polytechnic traditionally endorses one candidate for Grand Marshal and one candidate for President of the Union each year. Following the 2015 *Union Constitution* amendments, the position of Undergraduate President is now directly elected by undergraduate students. As such, *The Poly* will also be endorsing a candidate for the position of Undergraduate President. As part of the endorsement process, all candidates are invited to interview with the *Poly* Editorial Board between 9 am and 5 pm on Saturday, March 25, and between 9 am and 1 pm on Sunday, March 26. Signup sheets for time slots will be posted on our website at poly.rpi.edu/gmweek; candidates must sign up for an interview by 6 pm on Thursday, March 23. Interviews will be 30 minutes in length; please arrive five to 10 minutes before your scheduled time in order to ensure you can make use of all of your allotted time.

Candidate Profile Information

(not intended for GM or PU candidates)

About candidate profiles

Candidates for all offices besides Grand Marshal, President of the Union, and Undergraduate President may submit profiles of themselves to be published. Each profile should be approximately 150 words and typed.

As with all submitted content, we reserve the right to edit the profiles for content, clarity, style, and space prior to publication. All profiles must be submitted electronically in either PDF or Word document format to poly@rpi.edu by 6 pm on Thursday, March 23. **Submissions in formats other than PDF or Word, as well as those in hard copy, will not be accepted.**

Please be sure to include the following information in your profile:

- Name
- Position you are running for
- Class year
- Major

In fewer than 150 words, answer the following question:

If elected, what issues would you address, and how will this affect the campus or members of your class?

In addition, please provide your phone number and email address in case we need to contact you regarding your submission. Please be sure to sign up for a photography time slot for a photo to be run with your profile. Photos are optional, but the lack of one next to your profile will likely look inconsistent and incomplete.

If you have any further questions, please contact *The Poly* at poly@rpi.edu

Questions for Grand Marshal candidates

About GM candidate profiles

Please complete the following questions and submit an electronic copy in PDF or Word document format to poly@rpi.edu by 6 pm on Thursday, March 23. Please try to be thorough but concise with your answers. Some of your responses to these questions will be included in *The Poly's* endorsements issue, and are therefore a way to present your platform to your constituency.

As with all submissions, we reserve the right to edit your responses to *Poly* style prior to publication, but we will try to contact you regarding any major changes or deletions that are necessary. Provide a phone number and an email address if you wish to be contacted in this event. If you have any further questions, please contact *The Poly* at poly@rpi.edu.

Please be sure to sign up for a photography time slot for a photo to be run with your profile. Photos are optional, but the lack of one next to your profile will likely look inconsistent and incomplete.

Please be sure to include the following information in your profile, in addition to your responses to the below questions:

- Name
- Class year
- Major

See the next page for questions.

Questions for Grand Marshal candidates

1. What makes you the best fit to lead the student body?
2. What qualifies you to hold the position of Grand Marshal?
3. Name three short-term goals (within your term of office) and three long-term goals (beyond your term of office) that you have for the Student Senate.
4. In your own words, what do you feel are the roles of the Grand Marshal and the Senate?
5. What do you think are the incumbent Grand Marshal's strengths and weaknesses? What would you do to improve upon them if you are elected?
6. What does the student-senator relationship look like? What should it look like?
7. What does the senator-administration relationship look like? What should it look like?
8. How would you handle a crisis involving the student body, like the issues surrounding the hiring of an executive director of student activities, if such an issue arose during your term?
9. What qualities should a leader have? How does the Grand Marshal differ from a senator? How are you a leader?

Please create an original flow chart of the student government groups, individuals, and documents with their hierarchies on an 8.5" x 11" sheet of paper (may be scanned or done via computer). This must be original work.

Please submit two sample Top Hat articles that would be appropriate for publication in *The Poly*. Each article should be between 450 and 550 words.
